

# "Gaia's Awakening"

performed at the Elsinore Theatre in Salem, Oregon

**Thursday, December 15th, 2022 @ 6:30 PM**

One year ends, and another starts anew.

As Mother Earth, Gaia stands steadfast during our yearly journey around the sun. She calls forth Spirits of the Seasons to awaken in turn each quarter. In Act One, Spring comes to life with the help of a spritely forest nymph, while the light of sun brings Summer to its fullest.

In Act Two, a cold wind blows its way through the Autumn equinox until we are left with nothing but the icy chill of Winter. On the day of the winter solstice, the Spirits of the Seasons come together with Gaia to celebrate the closing of another year.

# Rehearsal Details, continued

## What to wear:

- Hair should be clean and secured away from the face in the required style.
- Please wear clean dance attire that follows studio dress code. No nail polish or jewelry of any kind. Do NOT wear your costume to rehearsal unless specified.

## What to bring:

- Full water bottle
- No-mess, hearty snack (granola bars, trail mix, jerky, etc.)
- Extra hair ties & bobby pins
- All dance shoes
- Warm-up attire
- Quiet activities like books or tablets are allowed for young dancers.

## What to expect:

- Our goal in these rehearsals is to run the show exactly like we will on the stage - including transitions and set changes. It is a chance for students to get to see what other classes are doing, as well as get comfortable with the run of the show.
- During rehearsal week, we work through any last-minute improvements in the show, and if necessary, make adjustments. Instructors & advanced dancers will give critique and encouragement to individuals and classes.
- Students will learn their class curtain call (if they haven't already) and practice taking a bow at the end of the show.
- Dancers will be assigned sitting areas by class for when they are not dancing. While waiting to rehearse, we ask dancers to remain calm, quiet, and focused on the rehearsal - just like they will be expected to act backstage.
- During rehearsal week, we will have very limited space in our lobby. We encourage parents to use this time to run an errand or visit some of our nearby eateries.

## At The Elsinore

We are so grateful to be able to perform at the historic Elsinore Theatre! This wonderful venue makes for a truly special experience for our dancers and families.

We hit the ground running as soon as we arrive at the theater. Please help us operate smoothly by preparing as a family for this busy performance weekend, and talking to your dancer about what to expect while we are at the venue.

### **What to wear:**

- Full hair & make-up
- Costumes & any costume accessories

### **What to bring:**

- Full water bottle(s)
- No-mess, hearty snack (granola bars, trail mix, jerky, etc.)
- Extra hair ties & bobby pins
- Extra, performance-ready tights
- All dance shoes
- After-performance clothing
- Quiet activities like books or tablets are allowed for young dancers.

## Tech/Dress Rehearsal

### **What to expect:**

- Students will enter through the front doors of the Elsinore and report to our check-in table in the lobby, where they will be directed to their dressing rooms. Dancers will have assigned spots to place their bags, costumes, and anything that belongs to them.
- Our combined Tech & Dress Rehearsal is a full run through of each routine complete with costumes, lighting, and sound. This may or may not be done in the actual order of performance.
- This rehearsal often feels much slower than others. Our lighting, sound, and stage technicians need this time to configure settings for the show. Patience is the name of the game during dress rehearsal!
- Dancers need to be ready to wait, restart, or quickly get to the stage when called - we cannot pause rehearsals for dancers that are missing or unprepared.
- When not rehearsing on stage, students will wait with volunteer or staff supervision in front rows of the auditorium. Costume changes will be done in the dressing rooms, but dancers may keep a water bottle and warm-ups with them.
- To ensure the safety of our students, only staff & volunteer parents will be allowed in the theater during rehearsal outside of drop-off and pick-up. If you are interested in volunteering, please reach out to our office.

## During Performance

### What to expect:

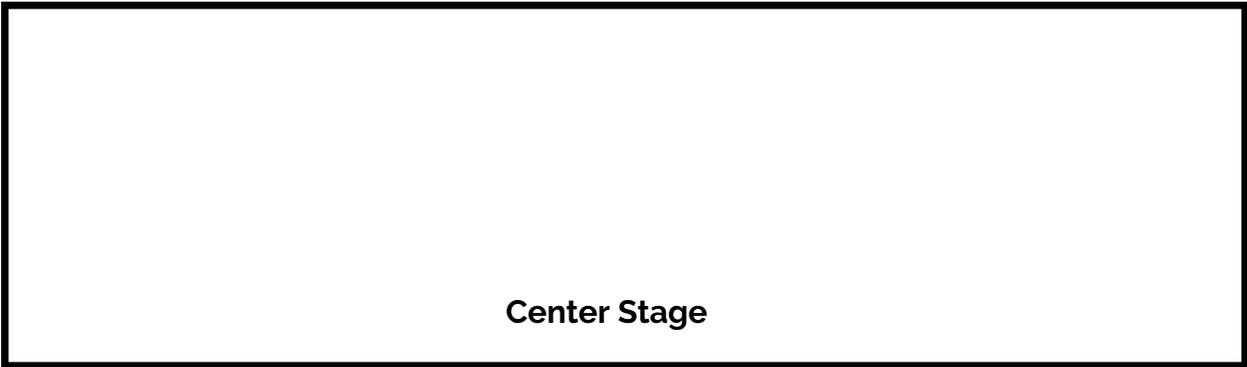

- Call Time is when dancers need to be back at the Elsinore before a show. After checking in, dancers go directly to their dressing rooms to begin preparing for the show: putting on costumes, final touches on hair/makeup, and getting their bodies warm.
- Per the Elsinore staff, parents are not allowed to remain in the lobby or theater, or save seats, until doors open. You will be asked to leave if you attempt to remain in the auditorium before doors.
- As the audience arrives, younger dancers will warm up and find their focus in their dressing rooms. While in their dressing rooms, your dancers are supervised by a team of accredited Salem-Keizer and private school teachers.
- Pointe & advanced dancers may be allowed to warm up on the stage.
- During the show, dancers remain in their dressing rooms until a few minutes before they perform. For our youngest dancers, a staff member will collect them and bring them backstage prior to their routine.

## After Performance

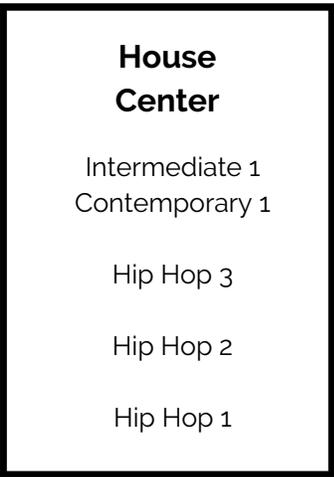

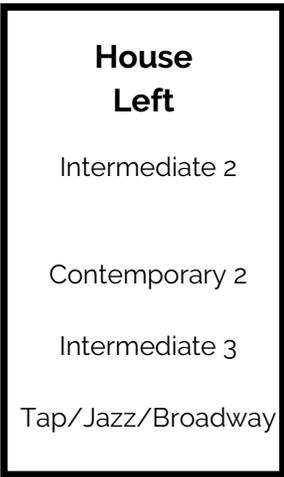

### What to expect:

- At the end of the night, all dancers will gather backstage for curtain call. When the curtain goes down, students are sent to their dressing rooms for clean up.
- Beginning and level 1 dancers will be taken back to their dressing room downstairs from the main lobby, where they can be checked out by a parent.
- Students in level 2 classes & up will be dismissed *after* their dressing rooms have been cleaned. You can meet your student on the right hand side of the stage.
- Pick-up for all level 1, 2, & 3 boys will be on the right hand side of the stage.
- That's a wrap! Be sure to congratulate your dancer for all their hard work and celebrate their special night!
- *Winter Term ends with our performance. No classes occur until our Spring Term begins on January 2nd.*

# How to Do A Ballet Bun

1. Brush your hair back into a tight ponytail—position it on the crown (highest point) of your head—and secure with a hair elastic.
2. Twist your ponytail tightly as you wrap it around your ponytail bun to keep stray ends from breaking free. You can also braid your ponytail to help keep everything together.
3. Tightly wrap a hair net that matches your hair color over your ballet bun to contain any stray ends.
4. Use U-shaped hairpins or bobby pins to hold the hair net and bun in place. Direct each pin down toward the scalp at the edge of the bun, grabbing some bun hair. Then, “scoop” a bit of the scalp hair with the tips as you direct the pin into the base of the bun, parallel to the head.
5. Use gel or hairspray to slick down any fly away hairs or loose ends.\* Bobby pins can also be used at the back of the head to pin short hairs up towards the bun.

\*Use a small amount of baking soda in the shower to help break up gel & hairspray when washing your hair after the performance!

# How to Apply Stage Make-Up

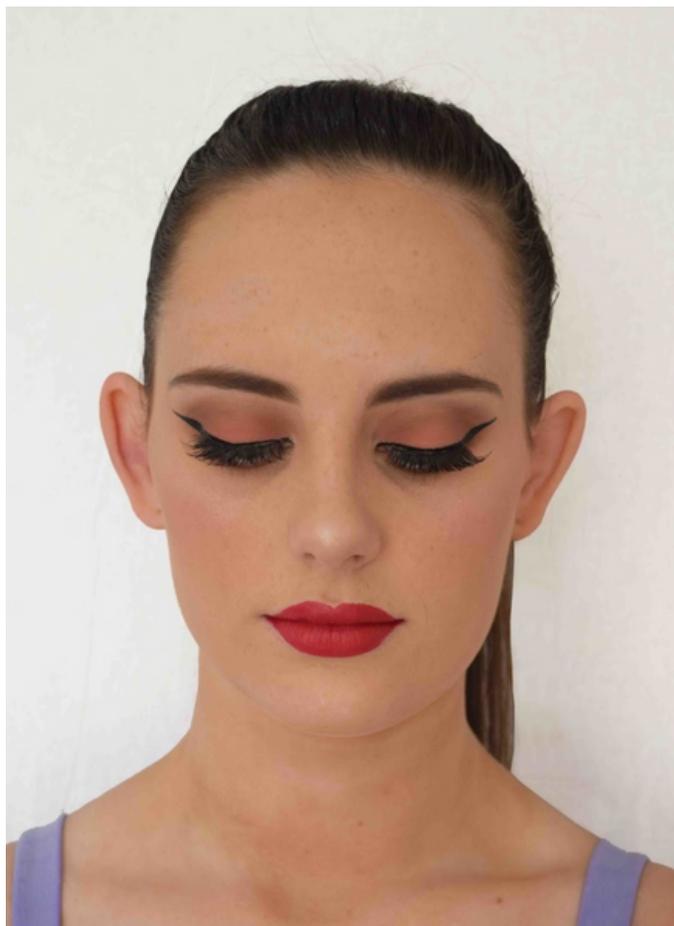

Stage make-up is very different from regular makeup because the harsh stage lights can drown out features, making it important to exaggerate and draw out lines from the face. Dancers of all genders **must** wear make-up when performing.

1. Start with a clean, freshly washed face. (Optional: exfoliate and moisturize after washing. Add foundation primer for long-lasting makeup.)

2. Apply full coverage **foundation** all over the face, blending the color into your neck and hairline for an even application. Choose a product one or two shades darker than your regular skin tone.

3. Apply **contour** to the face to prevent from looking "flat" from the stage lights. Apply a darker color below the cheekbones, on the sides of nose, and at the temples. Apply a lighter color above cheekbones, on the bridge of the nose and add a **concealer** under the eyes. Blend the contour with a damp blending sponge or a blending makeup brush. (Optional: Color in the eyebrows if they are light or if you want a more defined shape. Make sure your eyebrow pencil or gel is similar to the color of your hair.)

4. Apply a light color **eye shadow** to the crease of the eye and the brow bone to add a highlight. Add a neutral color to the eye crease, and a dark color to the corner creases of the eye to create a smoky look. Make sure you blend these in to create a seamless transition from colors.

5. Line the eye both top and bottom using a **pencil or liquid eyeliner** so the whites of the eyes stand out on stage. Add two "wings" to the top line to over exaggerate the shape of the eye.

6. Apply **mascara** to the top and bottom lashes. (Optional: Apply false lashes for a more dramatic look.)

7. Apply **blush** to the cheeks making sure the color is dark enough to be seen from stage. Make sure this is blended in and doesn't look like two pink circles on the cheeks. Tip: smile big when applying blush to exaggerate the "apple" of the cheek where the blush should be applied. (Optional: Additionally add highlighter above the cheekbones and on the bridge of the nose for a glow. This creates a sparkle when the light hits the face.)

8. Powder the entire face to set the makeup, apply a setting spray if you have one.

9. Apply **red lipstick** color to the entirety of the lips. Check with your instructor if you are unsure of the exact color to use.

\*Make sure to remove your makeup thoroughly at the end of the day to prevent skin irritation!
